JOINT INTELLIGENCE COMMITTEE

WASHINGTON 25, D. C.

JOINT INTELLIGENCE STUDY PUBLISHING BOARD

12 September 1945

**MEMORANDUM FOR:** Assistant Chief of Staff, G-2  
Director of Naval Intelligence  
Assistant Chief/Air Staff, Intelligence  
Director, Office of Strategic Services  
Chief, Military Intelligence Division, OCE

**Subject:** Cancellation of Classification of JANIS Publications

1. In May 1945 the directors of intelligence approved lowering the classification from CONFIDENTIAL to RESTRICTED of JANIS on occupied or by-passed areas.

2. In view of the cessation of hostilities and the obsolescence of much of the information in past JANIS, it is recommended that the CONFIDENTIAL classification of the remaining JANIS now distributed be lowered to RESTRICTED. The cancellation of the CONFIDENTIAL classification will facilitate reissue of these JANIS publications to non-military, government sponsored or approved organizations.

3. The following JANIS are affected:

JANIS	73	Southeastern Siberia
JANIS	75	Korea (including Tsushima and Quelpart)
JANIS	76	China, East Coast
JANIS	77	China, South Coast (including Hainan)
JANIS	78	Kamchatka
JANIS	79	Sakhalin (including Karafuto)
JANIS	80	Kurile Islands (short JANIS)
JANIS	81	Northern Japan (Hokkaido)
JANIS	84	Southwest Japan (Kyushu, Shikoku, SW Honshu)
JANIS	85	Central Japan (Central & Northern Honshu)
JANIS	150	Borneo
JANIS	153	Java-Timor

4. The general responsibility of agencies preparing individual chapters of JANIS follows:

JCS review(s)  
completed.

5. It is also recommended that the classification of the following forthcoming JANIS be lowered to RESTRICTED inasmuch as the data in these studies were gathered before cessation of hostilities:

JANIS 72 North China  
 JANIS 70 Indo-China  
 JANIS 74 Manchuria

6. If the recommendation is approved, JISPB will notify holders of JANIS of the cancellation through regular distribution channels.
